### Discussion

- **Scooter Safety:** Advocating for getting signage up to discourage scooter use on sidewalks
  - **What is the difference between DC monthly meetings and BEAT meetings?** There is some overlap, but ~~the District Council is an elected body that represents the residents of the 001 police district on issues that affect them, whereas the BEAT Meetings are led by CPD and discuss specific block by block public safety issues. DC Monthly meetings are a public safety forum where different issues can be discussed.~~
  - **Question about CPD & CCPSA budget:** Resident was informed about CPD budget hearing occurring on 11/5, and CCPSA budget hearing on 11/12, and how they can tune in via the City Clerk's website.
